

Hello everyone!

Today, December 17, is our last class of this year 2021. Let's celebrate your hard work and success with a fun Christmas party.

- We'll try a Christmas trivia quiz.
- We will sing the most famous Christmas song in the world!
- And practice a challenging holiday *tongue twister*.

Our Friday AM class will resume January 7, 2022. I will be away for the month of January. I'm excited to let you know that we have some fine volunteers from this class who will take over in my absence.

Here is the schedule:

January 7: Peter will host and the topic will be “The sport of running.” Peter is a marathon runner and will share many interesting aspects of the sport.

January 14: Aiko will host and the topic is “SHADOWING” a technique for English practice.

January 21: Vince and his colleagues from the InFluency community will host and spark some lively conversation.

January 28: Volunteer needed! Can you help?

What is the most popular Christmas song of all time?

White Christmas

"White Christmas" is an Irving Berlin song reminiscing about an old-fashioned Christmas setting. Since its release, "White Christmas" has been covered by multiple artists, with the song exceeding 100 million copies sold.

Let's have a sing-along!
