

Hello everyone!

The topic for today's class is: [Superstitions](#)

Many superstitions have persisted over time, even as societies have become more scientific and technology-driven. They still influence people's lives today. Is there a superstition that you believe in?

AGENDA:

1. Superstitions Around the World Quiz
Discussion questions: breakout rooms, small groups
2. Wrap-up: large group questions and comments

Reminder: *The focus of the class is on conversation to improve fluency and vocabulary at the intermediate/advanced level. Mistakes are OK! We are here to help each other.*

Superstitions Around the World Quiz

Will be distributed at the beginning of class

Questions for Discussion: Superstitions Around the World

1. Are there superstitions in your home culture that are similar or different from the ones in this quiz?
2. Why do you think superstitions have persisted over time, even as societies have become more scientific and technology-driven?
3. Are there any superstitions that you think have a positive impact on people, such as bringing good luck or encouraging positive behavior? Conversely, are there any superstitions you feel are harmful or restrictive?
