

Welcome to Today's Class!

Today's Topic: **Risk Taking**

Risk-taking means doing something uncertain or dangerous in hopes of achieving a goal or improving a situation. It often involves stepping outside your comfort zone and facing the possibility of failure. How much of a risk-taker are you?

Agenda:

1. Review the video and vocabulary
2. Small group: breakout rooms
3. Large group: wrap-up

Watch & Learn

A teenager's global flight for cancer

Key Vocabulary:

1. stalled
2. "shifted gears"
3. solo
4. fundraising
5. showcase

Let's Talk: Discussion Questions

1. What is the biggest risk you have ever taken? Was it worth it?
2. Are you generally a risk-taker or someone who prefers to play it safe? Why?
3. Can you think of a famous person or historical figure who took a big risk? What were the outcomes?
4. Do you believe that success requires taking risks? Why or why not?
5. Have you ever regretted not taking a risk? What was the situation?.
6. Would you allow *your* teenage child to fly an airplane around the world?
