

Welcome to Today's Class!

Today's Topic: Working Virtually

Roughly one in four U.S. workers currently does at least some of their jobs remotely. What are some of the pros and cons of remote work?

Agenda:

1. Review vocabulary
2. Breakout room discussions
3. Large group wrap-up

Vocabulary

Key Vocabulary:

1. hybrid model
2. asynchronous communication
3. digital nomad
4. work-life boundaries
5. digital burnout
6. Zoom fatigue

Let's Talk: Discussion Questions

1. Would you prefer to work remotely, in-person, or hybrid?
2. Does working from home improve quality of life?
3. Would you move to another city if you could work remotely forever?
4. Should remote workers be paid based on where they live?
5. Some companies use employee surveillance software (tools that track productivity). Are these tools necessary or a invasion of employee privacy?
